BACKGROUND FACTS

9. Mr. Alaniz is a Latino male, with a disability.

10. He often rode his bike as advised by his physician for therapeutic purposes. He has a diagnosed disability, a brain tumor that he has been living with that makes him prone to seizures, and the need for therapeutic daily bike rides. He rides his bike throughout his local community to help to calm, relax him, and cope with his disability.

11. On Friday, May 29, 2020, Mr. Alaniz rode his bicycle along the feeder road of I-10 (interstate ten) near McKey and San Jacinto Street.

12. When he reached the area, he came upon a group of unknown individuals who were gathering and a group of Harris County Sheriff's Office ("HCSO") deputies and Houston Police Department (HPD) officers. He stopped his bike to assess the situation, and without explaining what was going on, HCSO Sergeant Ortiz asked Mr. Alaniz to move off the street onto the sidewalk, and he complied.

13. Mr. Alaniz tried to keep his distance from everybody and remain safe as he filmed the historical event unfolding in Houston live on Facebook. His right under the first amendment.

14. Unbeknownst to Mr. Alaniz, the protestors and officers were gathered in the area as a result of the news and cell phone footage released of the killing of Houston native George Floyd by Minneapolis Police in Minneapolis, Minnesota.
15. Mr. Alaniz was unaware of the protest and had no intentions of participating. Mr. Alaniz kept a distance from everyone, including officers and protestors, Deputy Cannon walked up to him and told him to get on his bike and ride away with the group.
16. Deputy Cannon advised Mr. Alaniz to leave the sidewalk in conflict to the orders Alaniz received from HCSO Sergeant Ortiz. He was then asked to move by the sergeant and join a protest group, but Mr. Alaniz tried to explain that he was not with the group. Cannon did not allow him to explain, cut him off, and expressed he did not care whether Mr. Alaniz was with the group or not, Alaniz had to go with the group.
17. As Mr. Alaniz tried to explain, Cannon gave Alaniz five seconds to navigate tall grass, weeds, and large rocks to ride away.
18. Cannon began to aggressively count down, 5, 4, 3, 2, and when he got to the count of one, without considering that Mr. Alaniz could have any disabilities, Cannon did not give any instructions to allow Mr. Alaniz to comply with any detention efforts,
19. Cannon grabbed Mr. Alaniz and flung him to the ground.
20. Other unknown law enforcement personnel swarmed in and joined in using force against Mr. Alaniz until the officers handcuffed and dragged him by his arms.
21. He did not argue with the officers when they unlawfully demanded he leave from the open field. Despite Mr. Alaniz being fully compliant as he attempted to leave as ordered.

22. Other unknown law enforcement personnel joined in using force against Mr. Alaniz until the officers handcuffed and dragged him by his arms.
23. Mr. Alaniz had trouble walking with the officer to a Harris County Sheriff's Office bus because he was being detained by the officers roughly, causing tension in his right shoulder.
24. Deputy Vanessa Esqueda watched the unreasonable force but did nothing to intervene, although she was able to intervene, Cannon arrested him and placed him in a bus full of other arrestees.
25. This action caused the dislocation of his right shoulder. Mr. Alaniz blacked out and has no memory while on the bus.
26. He has a diagnosed disability, a brain tumor that he has been living with that makes him prone to seizures, and the need for therapeutic daily bike rides.
27. Mr. Alaniz repeatedly screamed he did not do anything and tried to express that he had a disability but was not allowed to opportunity by Cannon or the other officers.
28. His \$2200.00 Trek bicycle, which contained his wallet inside the emergency kit, was
29. left at the scene. These items should have been placed on his personal property.
30. All of the items were recovered four to five hours later by a Facebook viewer, Isac Saenz, who saw where Mr. Alaniz was on the live videos and came to the location.
31. Mr. Alaniz was thankful to the gracious stranger.
32. Thankfully, his property was left in the tall grass and weeds and could not be seen from the road.

33. There was body-worn camera footage of the incident from Deputy Mark Cannon and Sergeant Anna Ortiz. Cannon's body-worn camera had the audio turned off.
34. Deputy Cannon and other officers placed Mr. Alaniz in handcuffs.
35. Deputy Cannon dragged Mr. Alaniz to a Harris County Bus, where he was given to other officers.
36. HCSO Deputies left Mr. Alaniz's Trek bicycle, wallet, and other property at his arrest location.
37. Intake officers documented there was an investigation hold for Mr. Joe Alaniz, and he was booked on May 30, 2020.
38. Upon intake at the Harris County Joint Processing Center (JPC), Mr. Alaniz did not receive medical attention initially, nor was he ever explained the reason for his arrest.
39. The items listed on the property were one shoe, one cell phone, two bracelets, a black
40. shirt, and a pair of black shorts.
41. Mr. Alaniz was released a day later. Mr. Alaniz went to Herman Memorial Hospital Southeast Campus after his release.
42. Mr. Alaniz had a history of brain tumors and seizures.
43. Cannon pushed him down onto rocks, making him land on his elbows and knees.
44. When he was released from custody, he went to the hospital emergency room and complained of head injury, bilateral legs and arms pain, and soreness everywhere.
45. A radiology report dated June 1, 2020, indicated findings are consistent with right acromioclavicular separation.

46. Mr. Alaniz suffered an injured shoulder and was diagnosed with a right acromioclavicular separation.

47. Deputy Cannon admits to using force, although contrary to Mr. Alaniz's excessive force recollection, he untruthfully claimed the force was only enough necessary to apply the handcuffs on Mr. Alaniz instead of the malicious striking, dragging and pulling of the submissive plaintiff who sought to explain facts to Cannon.

48. This is also the reason he failed to document the use of force and submit a Report, Mr. Alaniz complained of pain and injury.

49. On Wednesday, June 3, 2020, after his release, Mr. Alaniz filed an Internal Affairs report, gave an interview, and provided a sworn statement which initiated an investigation.

50. The Sheriff's IAD Disciplinary Committee investigated Sergeant Ortiz and Deputy Mark Cannon; the committee believed some of Mr. Alaniz's version of the facts and partially sustained his complaint against Cannon.

51. Deputy Fosdick took pictures of Mr. Alaniz's injuries during the interview to document the scrapes, scratches, swelling, and bruises over his body.

52. Mr. Alaniz also provided Deputy Fosdick with the video he took of the incident before his arrest on Friday, May 29, 2020.

53. Mr. Alaniz also signed multiple copies of the medical release form so medical records from his visit to Southeast Hermann Hospital on Monday, June 1, 2020, would release his records to Harris county.

54. After IAD, Deputy Pierre Atkinson conducted a preliminary investigation and took

statements and photos from Mr. Alaniz, information IAD shared with Deputy Mark Cannon.

55. IAD waited nearly five months to investigate the concerns and take a statement from Ortiz on Friday, October 30, 2020.

56. Lieutenant Eric Batton admitted to internal affairs in his interview that Harris County Sheriff's Deputies made the arrest but failed to complete its own paperwork.

57. Batton blamed the Houston Police Department for losing Mr. Alaniz's paperwork also.

58. The criminal magistrate did not arraign Mr. Alaniz because he did not commit a crime, and the magistrate could not since there was no paperwork completed or placed in the booking JIMS system.

59. IAD confirmed there was no arrest report generated or HCSO report generated. Mr.

60. Alaniz's arrest and the use of force against him was completely undocumented.

61. The Harris County Sheriffs' Office also confirmed Deputy Cannon and Sergeant Ortiz both failed to document the use of force.

62. Cannon's peers in IAD recommended he be reprimanded but insubstantially for leaving Mr. Alaniz's property while excusing and condoning the rest of his conduct.

63. The committee, Sheriff Ed Gonzalez, and Susan Cotter failed to adequately discipline Cannon or Ortiz.

64. The Harris County Sheriff's Office internal affairs department consists primarily of temporarily assigned officers that rotate in and out of the position for a temporary period

from their regularly assigned duties as officers.

65. It is not a dedicated position that an officer can be assigned to by the department.

66. An IAD officer could be placed back on their regular assigned duty, working side by side with an officer they were assigned to investigate the week before.

67. An officer who has worked side by side with another officer for one week might be moved to the IAD temporary position and assigned to investigate that same officer for another week.

68. The Harris County Sheriff's Office IAD division is flawed by design in that it pits fellow officers against one another and is of no use to the citizens who rely on the investigations and the results.

69. The result is that the investigating officer would have to weigh engaging in a meaningful investigation against a co-worker costing her or him their career or discipline and looking the other way, finding ways to minimize or cover up unreasonable and unconstitutional conduct, then having to return to regular duty from their temporary IAD assignment after chosen from the forgoing decisions and deal with any consequences from the course of action they choose to take from the choices available.

70. In addition to the flawed IAD practices, Harris County Sheriff's Office promotes a practice of falsifying facts to gain probable cause to support an otherwise invalid arrest by failing to train and discipline its officers for knowingly making false statements and allegations to support an arrest.

71. Even after an investigation and review of body-worn camera footage that is reviewed with the Sheriff Ed Gonzalez for approval or denial, there is no discipline, and a blind eye is turned to unconstitutional actions captured on video.

72. Officers know their unconstitutional actions will not be reviewed unless reported. There is no policy in Harris County to review body worn cameras, dash cam for surveillance footage randomly, or routinely for misconduct.

73. Additionally, supervisors are trained, pursuant to the HCSO policy, to review all deputies' statements on a significant incident scene and make sure the statements do not conflict before accepting the statements.

74. The officer witness statements must be approved by a supervising officer before it is accepted and is often returned to the officers to make changes to correct contradictions.

75. The HCSO supervisors have the power to destroy camera footage, and have a practice of engaging in exactly those actions then alleging the video is no longer available.

CAUSES OF ACTIONS

42 U.S.C. §1983 Constitutional Rights Violations Pursuant to the First, Fourth, and Fourteenth Amendment & Bystander Liability.

76. Plaintiff adopts, incorporates, restates, and re-alleges all previous paragraphs, inclusive, with regard to all causes of action.

77. Defendant Cannon is liable for excessive force, unreasonable use of force, as Ortiz, and Vanessa Esqueda for failing to protect Plaintiff from unreasonable use of excessive

force, and wrongful false arrest based on false imprisonment in violation of the 4th and 14th Amendments.

78. Defendant Harris County is liable to Plaintiff for failure to train or discipline its officers for unreasonable use of force and failing to protect Plaintiff from unreasonable use of force and excessive force in violation of the Fourth and Fourteenth Amendments.

79. Specifically, Defendant Harris County by and through its agents, staff, officers, or employees violated Plaintiff's Constitutional rights to be free from unreasonable and excessive force by causing injuries to Plaintiff, as a result of the unreasonable use of force.

80. Defendant Harris County, is a state actor, acting under the color of law and within the scope of its responsibilities and/or employment and authority, intentionally and with conscious, callous, deliberate indifference deprived Plaintiff of his constitutional rights to be free from unreasonable and excessive use of force and seizure by failing to properly train, supervise or discipline its officers. As such, Plaintiff sues Harris County, as state actors acting under the color of law, pursuant to 42 U.S.C. § 1983 for violations of Plaintiff's liberty and freedom interests. Ed Gonzalez is the policymaker for the area of law enforcement for Harris County with the duty to train supervise and discipline Harris County deputies.

ADA Claims

81. Plaintiff hereby adopts, incorporates, restates, and re-alleges all previous paragraphs, inclusive, and with regard to all causes of action.

82. The ADA not only protects against disparate treatment against discrimination, it also creates an affirmative duty in some circumstances to provide special, preferred treatment, or 'reasonable accommodation.

83. Harris County and Cannon had an affirmative duty to provide special, preferred treatment or reasonable accommodation to Mr. Alaniz based on his disability. Cannon was not trained by Gonzalez or Harris County to recognize, inquire, investigate or respond to a person with a disability and accommodate their special needs.

84. This was also the case with Shekeitha Holman who was physically disabled when she encountered HCSO Deputies while in a wheelchair.

85. They took her from her wheelchair and threw her to the ground like Cannon threw Mr. Alaniz to the ground, but they went further with Ms. Holman and tasered her, before wrongly falsely arresting her.

86. The ADA makes it unlawful to fail to provide reasonable accommodations for the known physical or mental limitations of otherwise qualified individuals with disabilities unless the accommodations would impose an undue hardship on the operation of the business. Mr. Alaniz tried to explain himself to Deputy Cannon as he did the investigating officer that he was just riding his bike to alleviate the adverse effects he experienced due to his brain tumor, but Cannon would not allow it.

Ratification by Harris County and Pattern/ Practice of Excessive Force

87. Plaintiff hereby adopts, incorporates, restates, and re-alleges all previous paragraphs, inclusive, and with regard to all causes of action.

88. Plaintiff had his rights violated and was injured due to the policies, practices, customs, and procedures of Harris County.

89. Defendant Harris County is a municipality in Texas. It's Sheriff's office is one of over 25 local law enforcement agencies with arresting authorities in the area. The arrestees are taken to the Harris County jail. The Harris County jail has a population on average of about 8000-9000. The HCSO deputies average about 1800 arrests per year according to public records, about 5% of its arrests are unlawful false arrest without probable cause, a steady average since there is no retraining or discipline for intentional false arrest. It has a practice, custom, culture, procedure, and training of permitting and encouraging excessive force against suspects, inmates, and persons in their custody.

90. No person was adequately disciplined or reprimanded after the investigation of this incident, thereby ratifying the conduct set forth above.

91. Harris County either determined that there was partial misconduct and violation and just a menial error occurred or failed to investigate and excuse any excessive and unreasonable use of force and failure to protect from excessive and unreasonable use of force was consistent with departmental policy and created in the department and expectation of impunity for the use of excessive and unreasonable use of force and failure to protect.

92. Defendant Harris County and its deputies have a pattern and practice of using excessive force on its citizens and failing to protect them from the use of unreasonable excessive force.

93. Harris County and Gonzalez failed to train, and supervise its agents, staff, officers, and employees after prior past unreasonable unconstitutional conduct that resulted in a culture of emboldened behavior.

94. Defendant Harris County has a practice, custom, culture, procedure, and training of permitting and failing to discourage its agents, staff, officers, and employees not to use excessive and unreasonable use of force against persons in its custody.

95. Defendant's policies, practices, and/or customs were a moving force in causing the unconstitutional conduct alleged herein. Plaintiff intends to show that there was a failure to supervise and correct the wrongful and illegal behavior of its agents, staff, officers, and employees; there was a culture of silence, concealment and toleration of such conduct, and there was a failure to train resulting in the unreasonable force and false arrest, as well as First Amendment violation for denying his right to speech, and record. The Harris County deputies retaliated against Mr. Alaniz for recoding their actions live on Facebook.

96. The following are additional instances of false arrest, arrest made without probable cause and dismissed as a result made by Harris County deputies as a result of allowing such arrest without probable cause and not training or discipline for the false arrest and these failures are the moving force behind Alaniz's unlawful false arrest resulting in his false imprisonment.

120. The examples in Appendix A and foregoing are a few examples of retaliatory, malicious false arrests committed by HCSO deputies when there has been no complaint from a third party. The officers are the "complaining witness" and after the officer initiated false arrest for crimes. Where the arresting deputy and/or their partner is also the complaining witness after there is a finding of no probable cause there is also not a single instance of Harris county disciplining, training or retraining its officers for the false arrest to stop the practice of arrest without probable cause and is the moving force behind the constitutional violation. Additionally, after Harris County and Ed Gonzalez have become

aware of the unlawful practices it ratifies the actions by concealing the information like videos, and other documentation.
